“ *Tommy was a dear friend to so many. He never met a stranger and extended his kindness to everyone. His heart was genuine and he would always put others before himself. The world needs more people like Tommy was. I hope your family finds comfort in knowing that Tommy touched many lives including mine. Thinking and praying for you all!*

“ Tommy, you were my protector, my brother, my friend. You always had my back and if I ever needed you all I had to do was call. I will forever cherish our memories, our good times, even our bad because they were ours. I love you, Tommy forever and always you will be in my heart. Fly high my friend until we meet again.
