“ *I worked with Tom at Vulcraft - eons ago....Was a great guy and can't forget him and several others waiting till Pat left and then came in to the Credit Union to get money out for the week-end... I wouldn't ask why they were getting it but they always said Pat would question them about what they were spending it on... if figured it was their money they could spend it the way they wanted... Super nice guy.....*

Rest in Peace and my prayers with the family.
