“ Tommy was a navy buddy in 1956 on the USS Mount Katmai AE-16. We formed a friendship that was unlikely in 1956 between a White person and a Black person. We bonded a friendship that has lasted many years. Two young sailors had a grand time on liberty. Tommy and his wife drove to New Orleans for a surprise visit after I told him we were going there for a festival. We were overwhelmed. I am going to miss talking to him hearing his voice and attempting to talk to each other using ham radio. Tommy is the perfect definition of a friend. I feel a loss. May our Lord give him and the family grace at this time.

“ What a great guy Tommy was! He coached me in football at Adamsburg. His tremendous ability to see the good in all of us boys on the Rams team was one of the things that have followed me all my life. God bless you and soothe the hurt your family is feeling!

“ My most favorite memory of Tommy was my Freshman year. I went to Church at Northside Baptist and Mrs. Shelby hosted a swim party at their home. Tommy seen me sitting on the side of the pool not swimming and came over to see why. I told him I couldn't swim and he said “ not yet anyway”! Before the summer had ended he had taught me how to swim and became one of my biggest fans! I will forever be grateful of his friendship! You will be missed ❤️
