“ I am so sorry to hear of Tommy's passing. We were neighbors on Dean Road for years and had many good times together. His family are in our prayers during this difficult time.

“ There are too many incredible memories that we shared with Tommy to choose just one. Tommy was a wonderful person and a huge part of my life since I was a small child. He always had a smile, and a laugh that could warm your heart. He and Debbie took me to Disney World for the first time when I was 16 years old. It was a trip I will remember for the rest of my life. He gave me a hard time about my "daily double burgers" . It was all in good fun- because he always aggravated the ones he cared about. We made many trips to Hilton Head- a place that was very special to him. I will never forget him bribing Ian to eat that squash, or making fun of me for crashing my bike into that tree, or his "green card" . Tommy loved his family, and he loved my children like they were his own grandkids. Later, when his granddaughter was born, he had to break out the pictures every time we would see him- and the look on his face was priceless. He literally beamed- he was so proud. It was evident. He gave us some of the most wonderful memories of our lives. He will be missed everyday - but the impact he had on our lives will live on forever.

“ Debbie, Blake, Erin,
I am so sorry, words cannot express what you are feeling. But take comfort in knowing he is no longer in pain and is a new body free from cancer. I love y'all and will be there for you. Tommy was a great hard working man and you should be proud of the legacy he has left behind. Love, Karla Joiner

“ What I will treasure most about Tommy was who and what he was in life. A real man of integrity. An honest man that you could depend upon. That legacy never dies. It remains as our testimony long after we leave this earth. Truth and honor were the attributes he carried and I was proud to call him my son.
