“ *I am another of Minnie Bailey Frost's granddaughters. Vergie and Mom (Etta Frost) had been talking on the phone regularly. It meant a lot to Mom who is an invalid. The last time I drove her to the doctor, we talked about her conversations with Vergie and stories from when they were all young. I am sorry for your loss. Glenda Carter*

“ I love all of you and I have had all of you in my prayers. Mom kept me posted everyday about your mom. I am happy for the time last summer that mom, Nina, and I got to spend with her and Louise. She was a true southern lady. She loved all of you so very much, her family was indeed her life...and now she will continue as your guardian angel until you see her again. Mom and I will see all of you tonight.
