“ *Vonda was a God send for our family when our mother became bed-ridden. She needed a place to live and we needed someone to take care of mom. She was awesome with mom and became a part of our family. She said she wanted to get back out on the mountain near to where we lived, and now she is to be interned a Fischer. I am so proud she has all her dreams in the presence of God! Prayers and love to all her family and friends.*
