“ *Wishing that I could be there to give heartfelt condolences to the family. As a classmate, Wade had such a great sense of humor and we all loved him. I will always remember, when in college, he visited my roommate, Lynn Sawyer Jeter and me in Tuscaloosa, and how much we enjoyed him being there. Wade was always humble, kind and had a truly good heart. I hope he knew how much he meant to those of us who knew him.*

“ I haven't seen Wade in several years but often think of him and the fun time we had in high school. We hunted dove one year out of his mercury hanging out the windows and shooting birds off the power lines. I think we got our limit that day. Wade was always a lot of fun. We will all miss him. God bless you all and our thoughts and prayers will be with you during this time.

“ I am so saddened to hear of the passing of my old football and scouting friend Wade. I hadn't seen him in several years but Wade was the same to me every time I did see him. Mostly happy, laughing and telling great stories. He was always full of life and willing to help most anyone in need. R.I.P. my friend. May God hold and comfort your family and friends.
