“ *We are so sorry for your loss. We have a lot of great memories over the years, especially the summer cookouts. I remember your parents coming over one night to visit and watching who knows what on TV with my parents (probably Solid Gold Saturday Night or Hee Haw), while I was in my room doing my nails and spilling nail polish on my dresser and removing the finish (oops). We will always miss those times. May your memories stay in your heart always. Our thoughts and prayers are with you. Love, Sara Gravitt and Gretchen Gravitt Tremmier*

“ I remember her asking y daughter one year what she wanted for Christmas. Missy told her a box of corn flakes, so Jean wrapped up a box of corn flakes and put it under the tree for her on Christmas morning.
