“ I'm very sorry to hear of Mr. Beck's passing. Although it has been many years, I still have fond memories of him and I know he will be missed. On occasion, I recall times spent at your house when we were neighbors (quite a nice feeling for the new kid from Georgia) and later as a teen and young adult at the house out on the river. He made sure we were taken care of and stayed out of trouble and he always made me feel welcome. You will certainly be in my thoughts and prayers. Love is immortal and lives within us forever. God bless and keep you. Walter
