“ *Barbara, Joe and I read last night about the passing of Ovie, but our granddaughter, Elizabeth, was celebrating her 30th birthday at our house this afternoon and there was no way we could pay our respects, as we would have liked.*

*We thought a lot of Ovie, and know what a good and faithful man he was in all aspects of his life. Our thoughts and prayers are with you during this time, Barbara. We will be thinking of you in the days to come.*
