“ One of my last connections to Ramer history died with William Coleman. He was so generous sharing his memories and stories. And he and Marilyn were faithful to visit my parents. My prayers for you all. Rest in Peace and Rise in Glory.

I was employed by Dr Gibson, July 1959- July 1960. He was a wonderful person to work for. I will never forget him. I loved him like a family member. I am so sorry I didn't know of his passing and wasn't there for the family!!
