William Grant Shepard was born on March 6, 1952 in Jacksonville, Florida and passed February 24, 2023 at Riverview Medical Center in Gadsden, Alabama. He grew up in Frostproof, Florida, where he was an Eagle Scout and played multiple sports, including being a center and punter for the Frostproof Bulldogs high school football team. Bill graduated from the University of Florida in 1978 with a degree in Animal Science/Dairy Science. He was a passionate Florida Gators football fan. A third-generation dairy farmer, he moved to Collinsville, Alabama, in 1982 to begin his own dairy business, Lookout Mountain Dairy. Bill spent the last two decades as a real estate agent, licensed broker, and auctioneer. An avid outdoorsman, he enjoyed hunting, fishing, beekeeping, wildlife, and was a true steward of the land. As an expert turkey hunter, he enjoyed mentoring local youth in the sport he loved. He was a long-time member of the National Wild Turkey Federation, as well as a founding member of both the Cherokee county and Gadsden chapters of NWTF. He was a former president of the NE Alabama NWTF. He loved the town of Collinsville. He was a member of the Collinsville Booster Club for many years and an active member of the Collinsville Methodist Church. He loved playing with his grandchildren, and spending time watching sports, cooking, grilling, or just being with his wife, daughters, and many friends.

He was a loving husband, father, Paw Paw, and friend, and he will be greatly missed by all who knew him. He celebrated fifty years of marriage to his high school sweetheart and love of his life, Beverly Fort Shepard, on May 6, 2022. He is survived by his wife, Beverly, his daughters, Dr. Elizabeth Brooke Shepard Orr (Lance), Dr. Pamela Shepard Schagren (Danny), his sister Donna Perkins, and his five grandchildren, Joshua, Eliza Kate and Shepard Orr, and Noelle and Evan Schagren. He is preceded in death by his parents Joy Rucks Shepard and William Lafayette Shepard of Frostproof, Florida.

The family extends much appreciation and admiration to the nursing staff and physicians at Riverview Medical Center in Gadsden, Alabama.
